GOOD NEWS

VICTORY CHURCH MONTHLY NEWSLETTER

Let's Start This Year With Hope

The main reason why we refuse the idea of being hopeful, is because of our pain. Over and over, feelings of hostility and bitterness rise within us when we remember all the bad things that people have done.

The Lord God understands perfectly what disappointment is. He is experienced in getting hurt, all the time, everywhere, by all kinds of people. People never stop hurting the good Lord with their behavior and their actions.

That is what we live, constantly on a daily basis, in our personal life, and also in our work or business. We need to remember that Christianity is based on forgiveness. We must forgive everybody, all the time.

If you are expecting to have a good 2023, you need to start right there, because releasing yourself from the chains of vengeance is a great thing to do. You will be okay with yourself, and with our good Lord. With this, you will move to the next level, which is to live a life filled with hope.

The good Lord has wonderful plans for His children in 2023. However, there are many people that will suffer, whether they are rich or poor, independently of their race, or whether they are Americans, or any other nationality, because everyone will reap what they sow.

You can dream and hope for a wonderful year when you are doing God's will, when you are reading the scripture every day, and when you are reflecting on what He wants you to do. How hard is this? Well, it's as hard as you want to make it. If you are stubborn, don't expect great things for you in your future. But if you are humble and obedient to God's Word, you will have a wonderful year 2023, although you will see many sad things happening to other people.

I encourage you to be faithful to the good Lord in your heart, in your mind, in your personal life, in your finances, in everything. Your loyalty to the good Lord shows your devotion and your true commitment to our great King Jesus.

DO NOT BE AFRAID TO COMPETE | WS#319 | December 4, 2022

YOUTUBE

VIMEO

Competition is what can help us measure our strength and progress. Competing might be against others or against yourself. When we compete with others, we learn a lot from them. God, too, wants you to compete because He needs you to grow. Competing, for good against others, or against yourself, makes you creative and purpose-oriented.

A GOOD TEAM | WS#320 | December 11, 2022

VIMEO

It takes a good team to achieve big results. Going solo is sometimes challenging because you may fall short at some point, where no one would act on your behalf. Also, one person can be good at one thing, and you might be good at another thing. However, for any team to achieve big results, it must be led by passionate, visionary, and loving leadership.

PEACE OF GOD | WS#321 | December 18, 2022

You might be practicing many things to have a peaceful mind, but the real peace of mind is in the Lord Jesus. God provides the real peace that dwells within us, and it is this peace that fills us with energy, and motivation to do His will.

GOSPEL PARALLELS

This series has the purpose of studying all the events in the life of our Lord Jesus. Although it follows a chronological order, this study shows that there are many events narrated only in one or two of the Gospels, but not necessarily in all of them. There are topics that only Matthew wrote, and the same thing happens with Luke, Mark and John, which makes it very interesting.

The video edition of this study plays an important role because the viewer can see on the screen a graph that shows which passages are listed in which Gospel. Wednesdays at 7pm CST, or simply visit the platform of your preference, and choose Bible Study.

THE BEST REVENGE (The Musical)

In 2019, Gian began to draft the story of Simon, a kid who struggled greatly in life. His difficulties first started when his mom died when he was born, and then later his dad died when he was a teenager. After many foster homes, he finally graduated from high school, and eventually had his own place, where he started his young adult life. Fifteen (15) songs tell the ups and downs of the life of Simon.

Anyone who goes to mygiancarlo.com is able to enjoy this musical. Whether it is via audio or video, it is an international production with singers, musicians, audio and video editors from Italy, Australia, Colombia, Venezuela, Brazil, Poland, Guatemala, and the USA.

This inspirational story creates a unique opportunity for any school, church, or theater company, that wants to promote goodness by performing the musical.
There is a trailer, and a 7-minute video that explains the Theatrical Package:
https://www.vimeo.com/mygiancarlo/tbrtrailer.

Gian is hoping that many schools will perform The Best Revenge musical in the following years, inspiring young and adult people, to pay good for evil.

The Genealogy of Jesus Christ. The New Testament provides accounts for the genealogy of Jesus Christ, one in the Gospel of Matthew, and another in the Gospel of Luke. Matthew starts from Abraham to David, while Luke gives the same lineage, but he also includes His ancestors all the way to Adam.

The books of Matthew and Luke further teach us that the Lord Jesus was conceived by the Holy Spirit. This was testified by an angel who came to Joseph, husband to Mary, who planned to secretly divorce his wife (Mary). The angel told Joseph not to because the baby will save the world from sin.

The adoration of Jesus Christ. In Gospel Parallel 6, we learn how the wonderful baby boy was worshiped by people. The wise men and shepherds all bowed down, worshiped and presented their gifts. The baby who was born, is the Messiah, the Savior of the world. He came to restore the Kingdom of God on earth.

How much have you devoted your life to God? As you age, are you drawing closer or further from the Lord? In this study, we learn to keep the promises of God as we faithfully wait for God's time. No promise of God will be left unfulfilled. As Christians, we must keep devoted to Him, knowing that He never delays, but He does everything at the right time.
