VICTORY CHURCH MONTHLY NEWSLETTER

Letter from Gian

Dear friend:

One of the most beautiful gifts the good Lord can give to anyone is the privilege of doing something for Him.

You have talents and skills, with your work or your business, even in your own home, you do things for everybody else, of course you do things for yourself. We know all that is possible because of the gifts received from our Lord. You use those gifts, like, good health, skills, services, actions of kindness, sharing what you have, serving others, etc. Although you have those abilities, that does not mean that you are doing what you do for the Lord God.

Majority of people are doing what they can do with what they have with the main purpose of making money because everyone has financial responsibilities. Everyone understands that.

Now, one thing is using your skills to make money, and another thing is using your skills for the glory of God. In other words, you live for Him and for His Kingdom.

Your life is going to move up to a superior spiritual level when you finally realize how wonderful it is to use your abilities, skills and talents to exalt the name of our Lord Jesus.

You can do that. You can learn how to even enjoy doing what you do to a degree that you will not have any doubts of the love of God in your life, neither your purpose in life. That happens when you finally are truly in love with the Lord.

Never doubt surrendering totally to the voice of the Holy Spirit calling you to do things, to give things, to share what you have with the rest, but knowing that you are doing it for the Lord. It really doesn't matter if that thing is a simple thing or a very complex thing, it really doesn't matter. It doesn't matter if it's small or big, or if it's inexpensive or costly. What matters is that you are using your skills and your talents to glorify the name of Jesus.

MESSAGES SHARED IN AUGUST 2022

In this message, we analyze clinical death, funerals, the death of an unbeliever, and the death of a Christian. You will be surprised by learning some things about paradise and how your lifestyle will determine truly where your destiny is.

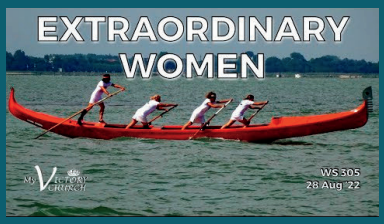

Do you know what the Biblical definition of intelligence is? Do you know the difference between intelligence and wisdom? Do you realize that there are many intelligences? These are some of the aspects that we study in this message.

Many believers never live their lives to the fullest of their power because they don't know what the Lord says in the Bible. The Lord God is the final authority in everything, everywhere, all the time. The Lord cares for the humble who are willing to obey Him. The Lord wants you to be fruitful in every aspect of your life. He wants you to shine for His Glory.

In this message, we study the life of Eve, Noah's wife, Sarah, Hagar, Lot's wife, and Rebekah. All these women had extraordinary experiences with the Lord.

VICTORY CHURCH CELEBRATES IT'S 6th ANNIVERSARY

Our Lord God has been so wonderful to us giving us, the opportunity to keep preaching the great news of our Lord Jesus for 6 years.

We are deeply grateful, and have so much gratitude in our hearts, as we sing "Glory to The Almighty God!", because He deserves to be exalted for His wonderful mercy, and abundant provision. Rich blessings have been sent to Victory Church Odessa ever since September 25, 2016.

The blessings that Victory Church is experiencing, are being extended to our congregation. We have tons of testimonies of the greatness of our Lord among the faithful church members.

We know that in life we all take turns for trials, and we have, but here we are victorious, preaching the Gospel, teaching God's Word, singing the hymns and songs of love for our King, and developing our friendship for one another.

We are thankful for the loyalty of those church members that stay with Victory Church and keep worshiping the Lord with us.

We are thankful for the wonderful work Tracy does with the Music Department. We are thankful for the excellent work Sebastian does with the IT Department.

We are happy because our Lord God makes us happy!

ROMANS 15.30 - 16

Episode 66 Romans 15.30-33

We discuss in this episode the importance of prayer, and how praying to the Lord will help us to understand His will, and accept His will to do what He wants us to do.

Episode 67 Romans 16.1-2

We analyze here the value of a reference. We discuss how our service to the Lord in the church will bring wonderful results in our lives, even to the point of having our pastor becoming a referral for anything that we will do in the future.

Episode 68 Romans 16.3-4

We study the life of a couple who serve together with Paul. Very interestingly, Paul tells us that this couple was willing to even give their lives for the Lord.

Episode 69 Romans 16.5

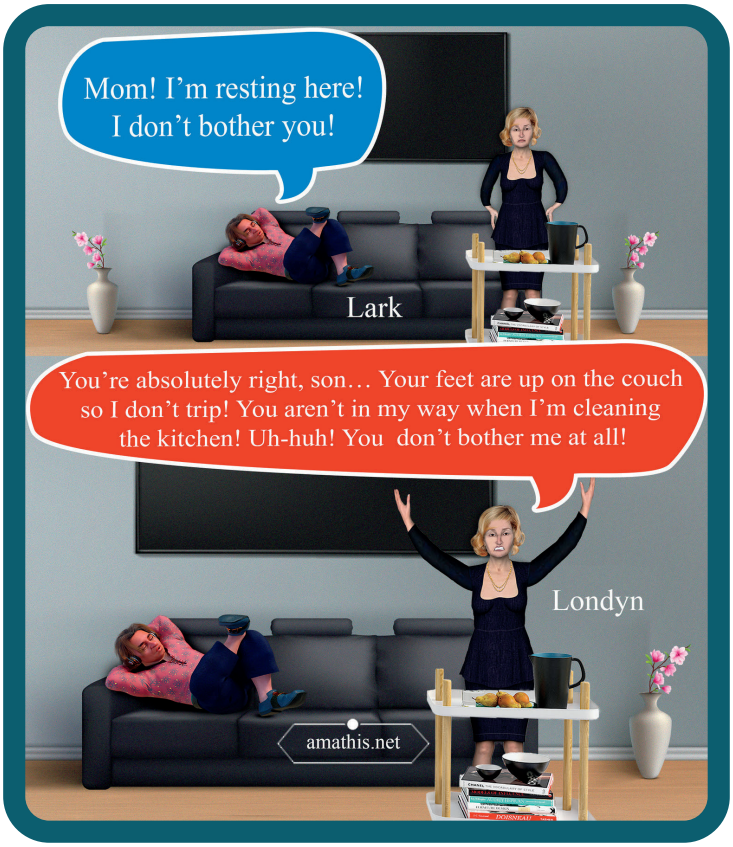

Groups in homes have been forever wonderful methods to strengthen the relationships among church members. Also, those groups allow leaders to emerge because of the needs in each scenario for someone to lead the meetings. It is wonderful to see in home groups friends becoming believers.

Episode 70 Romans 16.6-7

Do we acknowledge the hard work of certain people in our churches? In this episode, Paul tells us something super interesting about some relatives of his that changed his life.
