GOOD NEWS

VICTORY CHURCH MONTHLY NEWSLETTER

Letter from Gian

Most people are using their phones today to check many things, from emails, phone calls, voicemails, text messages, to all kinds of things on Apps related with social media, the news, weather, the entertainment world, sports, and banking. Because of this, everyone is learning to become more efficient with the use of their time while they are checking their phone.

As a result, we are learning to scan most everything. Those who are really good with technology have become super fast in the evaluation of what is, and what is not, relevant to their lives. Therefore, images or sounds may, or may not, draw the attention of the viewer. The bottom line is that people have a very peculiar way to determine what they like or not, pretty quickly, when it comes to looking at any post, video, article, or image, and you are no exception to this rule. Basically, we all are becoming individuals who are getting used to making a fast decision, whether we click on that post or not.

Long readings are not too popular, nor are long videos. As we aim for offering more things to the online world, in order to tell them about our Lord Jesus, we realize that the 30-60 second videos are a tool that we must utilize more and more to create the opportunity to have someone interested in the greatest message, the Good News of Jesus.

If you happen to be online one of these days, and you see a “Reel” or “Short Video” of us, I encourage you to like it, make a comment, or share it. Our prayer is, “Lord, save one soul today through our posts.” We never know which post will be the one making a difference in the life of one of those millions of people who are lost, and live in their phone world.

MESSAGES SHARED IN OCTORBER 2022

SACRIFICES FOR GOD | WS#310 | October 2, 2022

If we are to please the Lord, we must sacrifice many things – our lives being one of them. The Scripture tells us that we have to commit ourselves in living the life that conforms to the precepts of the Lord. Do not pretend. Live the pure life.

AMERICA: THE DISCOVERY | WS#311 | October 9, 2022

Are you looking for solutions to some life challenges you are going through? Belief, plus research, provides answers. In this scripture, we learn that doing research, and believing, helps uncover the truth. If we believe, that means that we are firm to what we strive to discover. So, believing makes us bold and stay focused.

THE DEVIL WAS SENT TO HELL. WHY? | WS#312 | October 16, 2022

God only created good things. However, it's up to every creature to choose what kind of life they want, be it good or bad. But God wants us to live a good life. The devil's fall was a result of rebellion, which was, and is, against God. He was too obsessed with self-gratification.

WHO IS THE LIGHT OF THE WORLD? | WS#313 | October 23, 2022

Are you living in darkness? Jesus is the light of the world that gives life, and whoever follows Him will never live in darkness. It's Jesus who gives us the light.

BE HAPPY! DO YOU KNOW HOW? | WS#314 | October 30, 2022

Are you struggling? Have you given up? Or have you no idea how to be a happy person? It doesn't matter what circumstances you are going through. You can live a happy life. Here is how: do not focus on the past, on the present, on somewhere else, or about someone. Your focus should be here and now, with the Lord.

THE BEST REVENGE

In 2019, Gian began to draft the story of Simon, a kid who struggled greatly in life. His difficulties first started when his mom died when he was born, and then later when his dad died when Simon was a teenager. After many foster homes, he finally graduated from high school, and eventually had his own place, where he started his young adult life. Fifteen (15) songs tell the ups and downs of the life of Simon.

Anyone who goes to mygiancarlo.com is able to enjoy this musical. Whether it is via audio or video, it is an international production with singers, musicians, audio and video editors, from Italy, Australia, Colombia, Venezuela, Brazil, Poland, Guatemala, and, the USA.

This inspirational story creates a unique opportunity for any school, church or theater company that wants to promote goodness by performing the musical. There is a trailer that explains the Theatrical Package in this 7-minute video https://www.vimeo.com/mygiancarlo/tbrtrailer

Gian is hoping that many schools will perform The Best Revenge musical in the following years, inspiring young and adult people to pay good for evil.

It is going to be a process of learning for every remote "DJ" or "Radio Operator", but we know that there are many wonderful individuals with talent, some as Bible teachers, encouragers, and singers and musicians, will have on Victory Radio a platform to share their own productions with our audience.
