GOOD NEWS

VICTORY CHURCH MONTHLY NEWSLETTER

7 Years

It seems like a long time ago, but at the same time it feels like it was just a few months ago. What I know is that I witnessed the love and faith of people around me. What an honor! What a privilege!

What is what moves people to believe in church? What is that thing that compels us to agree to go to church? Why is it that we are willing to work, put effort and give money for something that seems so irrelevant in the eyes of the world? Faith.

Faith in the Name of Jesus. Faith in God and in The Bible. The power of the Holy Spirit inside of us. This unexplainable force that takes us to a location where together, with other believers, we feel the need to say prayers, sing songs, lift our hands to Heaven, and read the Holy Scriptures to keep on going in life.

This super extraordinary Energy that can't be compared to anything else. Invisible and indivisible. Powerful and sweet. Strong and subtle. The Love of our Lord God in our hearts. His Presence in us.

We invite people to come join us, and we receive new church members, sometimes they stay, sometimes they don't. Sometimes they become family to us, sometimes they argue and question us until the day they leave. And yet, from time to time, we think of them and we pray for them. That is the right thing.

We continue believing that our job is to reach out, to share with everyone the message of the Son of Man, who was crucified on a cross, who died, but conquered the grave, and He has risen as the firstfruits for the Lord God, to be the One who we follow and adore.

That is the reason why on September 25, 2016, we started Victory Church Odessa. Thank you, Lord God, for this honor. I don't deserve it, but I thank you for this gift! I love you, Lord!

Grass

If you acknowledge that God is your Creator, you will fear Him because you know that your life can finish anytime whenever He gives that order.

Your life today might be fresh, but one day you will dry up and die.

You need to ask God for His forgiveness in the name of Jesus. Then He will help you enjoy your days.

You don't even know when you will die. You need to realize that Eternity is what really matters.

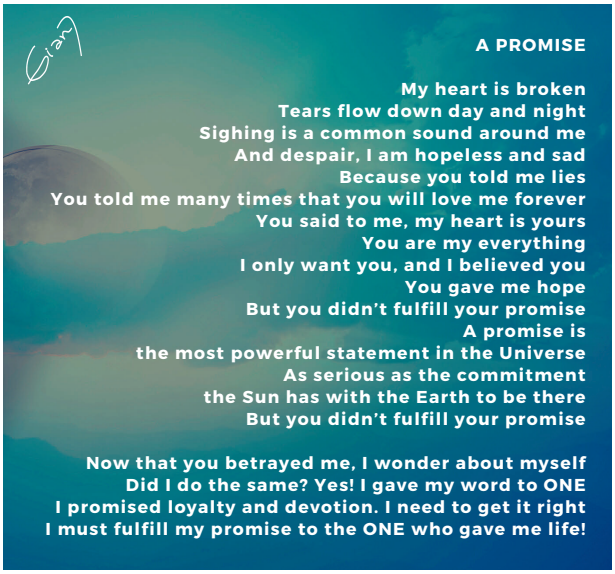

Then the Lord God will be kind to you.

In Psalm 90, Moses gives us an illustration saying, life is like grass. Unless you have allergies, everyone else loves grass. You might love the view of a field of green grass, shining with sunlight, or the peaceful pasture around a strong, tall tree in a 70 degrees temperature. Or perhaps you like the type of grass that allows you to put a blanket where you will have an unforgettable picnic with someone. Maybe you love to see the gorgeous grass all the way through the valley until your eyes can't see anymore. What a way to describe life! Fresh. Young. With vitality and the smell that is like no other smell. All that tells you about the uniqueness of your own life. And yet, one day it is going to end. Precisely for that reason, you need to reflect on your life, and how short life compares with Eternity. You can find in our Lord God the precious reason to smile today, simply because you are alive!

POETRY

https://allpoetry.com/My.Gian

You can find in the Scripture, passages that talk to your heart in such a way that make you think. Psalm 50 is one of those writings that made me think about my own loyalty to our Lord God. After reflecting about it, I decided to take the whole ambience of that Psalm and convert it into a poem. This poetic piece is designed to lead the reader to initially feel betrayed, in order to experience the pain of the lack of loyalty by someone, but finally the reader will be confronted with his own reality towards the Lord God.

What people perceive as wrong is not necessarily a bad thing to God. People may accuse you of your actions just because those things are not nice to them. This episode encourages you to understand how the Lord can take your failures into a life where you will keep on doing the right things that please the Lord.

THE IMPORTANCE OF PRAISE

Psalm 67:5-6 - "Let all the peoples praise You, O God; Let all the peoples praise You. The earth has yielded its harvest (as evidence of His approval); God, our God, blesses us." (AMP)

The NKJV says it this way:
"Let the peoples praise You, O God; Let all the peoples praise You. THEN the earth shall yield her increase; God, our own God, shall bless us."

We are blessed by God WHEN we:

- **Praise Him**
- **Worship Him**
- **Thank Him**

In early 2015, we were living in Virginia Beach, VA. Gian was really trying to get us to Texas, as that is where my parents, kids, and grandchildren, were living. I was really struggling with this situation. One day, the Lord led me to the above scripture. As I started studying this verse, and getting it deeper and deeper inside of me, it became a revelation to me! I immediately started playing my keyboard for LONG periods of time. I would sing and worship God for hours. I realized that God blesses us WHEN we worship Him: "THEN the earth shall yield her increase!!!" When?? When we praise Him! It wasn't too long after that that Gian accepted a church position in Odessa! I have NEVER forgotten that!!

There is so much power in praise, and singing to the Lord, as well as being thankful, and not being negative, or upset! I remember the Lord asking me, "How bad do you want to live in Texas??" I desperately wanted to be there!! So I would sing and worship Him every day until I felt a release, and felt it was ok to stop on that particular day.

God was so good to us, and gave us so much favor!

Prayer:

"Father, I will praise You, and worship You, and have a grateful heart, at all times. Help me, Lord, to keep my words clean and pure. Let only blessing come out of my mouth. Thank You, Lord, for Your faithful love!"

Blessings,

Tracy
