I WANT MORE LORD

Do you want more? I guess you do. Despite the doubts you have, but your heart might want more. We all want more, because He is the essence of our lives. In Him, we find true joy.

Read the Scripture in the name of the Father, the Son, and the Holy Spirit: (Paul's Letter to the Hebrews 11.6)

“Without faith, it is impossible to please God. For the one who comes to God must believe that He exists and that He is a rewarder of those who seek Him.”

What a powerful Scripture! Without faith, it is impossible to please God. This verse is sometimes so funny because many believers have no faith. We cannot call ourselves believers while we lack faith in what we believe. How often did we claim to be believers while grappling with situations due to lack of faith?

On which basis do we claim to be believers? Why don't we have confidence in what we claim to believe? Yes, you are a believer, as you claim, but why don't you have faith in what you believe?

The Bible tells us that faith is all we need to please God.

<<Without faith, it is impossible to please God>>

Faith, like blood in the body, is the main ingredient in our supernatural being. The Word has already told us how we can please God. So that's a predicament because if we cannot please God, how can we receive more from God? Perhaps you are unsure and wonder if you want more and say, "Do I want more?" — "No, I don't need any more; I am satisfied."

So here's one crucial question for you: Are you satisfied with yourself, with your life, with everything around you? Or do you want more?

Some people say, "Of course, I would like more, but I just don't know how to get it." You are not alone. Many people are in limbo, but I want to tell you that the ONE who owns everything, the ONE who has the authority to bless you, is the Lord God.

He will be moved by your tears and sufferings. But God will never act in your behalf when you are angry and throwing a fit. God will hear and act when He sees you that you are generous, when you give money to the church, or with those in need.

So, do you want more? Probably you do, but if you don't get what you want maybe it is because you have no faith to please God. Remember, God is the ONE who owns everything and gives to whomever He wants to bless.

As the Scripture says, it is essential to understand that we must believe whenever we come close to God. *"For the one who comes to God must believe that He exists and that He is the rewarder of those who seek Him."*

Yes, He's a rewarder. He will bless you if you only believe that He exists and seek Him with faith.

I WANT TO LIVE MORE

Do you want more life? Some people are like, "I want to die. I'm ready to go to Heaven." They speak all this because they are frustrated. You are not alone if you are battling crisis, going through problems. We are all battling health crises, marriage challenges, economic recession, and many more. In the midst of all this, you must take control of yourself by faithfully asking God to intervene in your life. He is the ONE who can fix all kinds of problems we suffer from.

< <He is the Mighty Lord, our God>>

Don't be downhearted. Ask God to intervene in your situations and let Him work. Frustration and depression are the greatest weapons the devil uses to fool us, so we forget that there is a power from which we belong that can save us

amidst any turmoil. Some people have fallen into the trap when they say they want to die and go to Heaven. Let's suppose you want to die and go to Heaven, but have you asked yourself if you have already served the purpose you were born to?

We can only manage depression and frustration when we ask for God's intervention in our lives. You want more to live, although the circumstances you are going through force you sometimes to think death is the only option.

<< Frustration & depression
block our thinking process by
preoccupying our mind and soul >>

WHAT KIND OF LIFE DO YOU WANT?

The answer is obvious <<Good life>> Everybody says they want a good life. But, what is a good life?

Here's another exciting thing. A lot of people don't know what it feels like to have a good life. They don't even know where to begin to describe what a good life is. And the mistake in describing good life is universal. All people, throughout races, describe good life based on money. They think that when they have money, they will manage this and that, by doing so, they will have a good life. It's wrong. The good life is not about money.

Some people pray to live longer lives only with the expectation of a 'good life' based on their wrong definitions. Everyone wants more life which is enjoyable. However, they hate the idea of a long life when life brings them not nice things like miseries, storms, etc.

I want you to understand one crucial thing here. Many people want more life than they visualize in their minds. They perceive life as having everything they want now by imagining themselves sitting on a recliner with a drink, a remote in the other hand next to their phone.

That's the way many people picture a good life. It's about a life of being sitting down, receiving, and being entertained by somebody. You need to understand that God is not going to give you that kind life.

He will bless you with a good life until you get it that the right way of living is not about sitting down on a recliner with your drink, your remote, and your phone.

<<Passive thinking>>

The Lord wants to give us life that He will inspire us and give us many beautiful things. God loves us to live a life that we can go to places, do and share things, encourage people and bring life to others.

If you want more from God, you will get it when finally you realize that life is not about receiving, **it is about giving**. He will not give you more life if all you can think of is having a more oversized soft recliner, a larger cup for your drink, and all like that. Life is not about that.

Life is about receiving from God and then giving and sharing the blessings to encourage others. God's life, the life from the Holy Spirit –is to give it to others. Remember, God is an essence of giving, so He's pleased with and blesses whoever gives.

Giving started with God Himself through the creation of the Universe, Humankind, and eventually sending His Son – our Savior – Jesus Christ.

It would be best if you were a bucket that collects for others, not for yourself. Earn for others, not for yourself; that's what pleases God.

Some people have everything, yet they don't understand why they are living an unhappy life. The answer is simple: You cannot find joy in yourself. Your abundance doesn't guarantee you a happy life. No matter the amount of wealth you accumulate every day or you already have, you will never get genuine joy out of it.

You will not be satisfied with money. Neither is going to bring you the true joy of God in your life. A life full of fun is only guaranteed when you give and share what God has blessed you with.

If you are unsatisfied with life is not because of what's going on around you. If you are unsatisfied it is because there is dissatisfaction deep down in yourself. Particularly when you cannot find the joy –the true joy– of giving and sharing.

Receiving more life from God is doable. First of all, you must have faith pushing you to seek God and do some things, from which He will release His blessings upon you. He will do great things for your life.

<<Giving you a good life>>

He will reward you because you have faith and are seeking Him. One important thing to note here is, God will not fill up your bucket for your own selfish joy. He will fill up the

bucket because other people will receive from you what God put on it first. It is the bucket that others rejoice from it. You just receive those blessings like treasures.

Everyone around you needs something from you, which is terrific. Our requests for more life will be granted upon evaluation that they comply with the principle of giving.

<<The Principle of Reciprocity>>

Stop focusing on yourself; get rid of a selfish mentality so that God can fill up your bucket to the maximum capacity. The first thing we all need from God is more spiritual life.

It's an abundant life to share and give because there is more pleasure in giving than receiving. You will cry for joy when you give something to somebody that was not expecting it. It is an unexplainable joy to see how happy that person is after receiving a present. You will be moved and immediately turn to Heaven saying, "Lord, that was good. I liked that. I liked the feeling of giving."

So, should you want more life to forget about the recliner? Life is about receiving from God to give, not to accumulate, but that doesn't mean you don't need to rest. It doesn't mean that you are not going to enjoy your recliner and your shows on T.V. or your books or music. You will, but it's not the number one thing.

Let's go back to the Scripture, *“Without faith, it is impossible to please God. For the one who comes to God must believe that He exists and that He is a rewarder of those who seek Him.”*

He has promised to reward those who seek Him with faith. His promises are real. Most of us have experienced the blessing of God at some point because we did the right thing. How do we feel every time the Lord rewards us because we did the right thing? We find ourselves in awe and so happy about it.

Seek Him first so you can have reward abundantly. It is like a mutual connection. When we give, we become more

pleased, and so is God at the same time. When we give, He gives us more. It is a beautiful cycle: Receive – Give – Joy – Receive, and the cycle repeats on and on.

I want good health and strength.

So, the first thing we want is more spiritual life, and the next thing is good health and strength. I want to remind you of one important thing here if you are sick or weak, if your health is not in good shape: We all go through seasons in our lives. Like what is going on right now worldwide, were battling the pandemic has become a new norm. It is one of the season's humanity goes through. Some seasons are personal, and others are not. At the beginning of 2020 we were all happy because we didn't know that it would come, and that is the way situations come – you cannot anticipate them.

Same thing is with our health, sometimes is just seasonal. And you are going to get out of that uncomfortable season, and you will be good.

But for those who are sick, I want to talk to you. If you have a terrible illness, horrible disease, and even doctors have said that your condition is incurable, you will die. So you are thinking, "Do I want more life like this? I don't think so, maybe good health and strength."

Yes, doctors have said so, and yes, you are in bad shape, a terrible situation. But I want to encourage you to believe in the Word of God. It doesn't matter what the experts have said. God is the ONE who created and put the knowledge in those experts. God is the number one Healer that can heal any illness. He is the ONE who is pleased when you have faith. And He is the ONE who will reward those who seek him.

So if you have been diagnosed with a terrible disease or anything that they say is incurable, I speak to you with words of healing right now.

I want you to lift your hands, breathe in and out. And let me pray for you that you will receive your healing miraculously

by the power of the Holy Spirit. Get ready to accept your miracle.

All is in the Word of God, *“If you have faith, there is nothing impossible for God.”* You are going to please God, and He will reward you. So just breathe in and out:

“Father, in the name of Jesus. I come today to ask you, Lord, for my reader friend who is in serious need of a miracle of healing. So I begin Lord by saying, and declaring Father, your Word upon them, that your desire, Lord, is to give abundant life. When we are faithful to you, Lord, your Word declares, that through the wounds and injuries that our Lord Jesus Christ suffered, we will receive our healing. Your Word declares Lord, that You can rebuke the devour. Your Word also declares, Father, that You destroy the curses because on the cross at Calvary, the Lord Jesus took all those curses and destroyed them to make us blessed.”

So my reader friend, receive this blessing of healing right now:

I rebuke, in the name of Jesus, all illnesses in your body. I destroy any curse against you, whether it's generational or any attack from the evil, anything that was provoked to you, sent to you, set to you by evildoers and forces of the darkness. I destroy that in the name of Jesus, and I set you free right now. And now, by the wounds of our Lord Jesus Christ, I declare that you receive your healing. Receive your healing in your body and your mind and your bones and every part of your system: your brain, your blood, your heart, your organs, your joints, anything, and everything will heal in the name of Jesus. And I release this blessing. Believe in the Word of God, Amen.”

The Lord wants you to have good health and strength. But that strength comes from having joy.

It is a bad thing that some traditional Christians have an issue with having fun and laughing.

“One day I was talking with my wife about something funny that happened to my father and her father. I want to

share with you the stories that are silly, but hilarious. And, of course, with all respect to my dad, Eduardo, who is in Heaven. And to my father-in-law Dave, who lives in Wills Point., TX”

The hilarious story of my father, Eduardo

This story is about his way of sneezing, he loved to make tons of noises while sneezing, funny noises, for over 20 seconds, it was a weird way to sneeze but it was all intentional. People around him always were in awe, thinking "What's he doing? What's wrong with him?"

My father, deep down, wanted to be likable. He wanted to be accepted. He wanted people to like him. That was the reason why he did his “sneeze dancing”, because he wanted everybody to laugh with him and to like him. Of course, when you laugh at something like that, you are releasing endorphins, and suddenly you are more relaxed.

Learn to have more fun, learn to laugh more, in your home, in your workplace, with yourself, if you want to, go to the mirror, look at yourself and laugh with yourself...

Be a laughable person because you will discover how much fun there is in life. Remember that the joy of the Lord is our strength. You have to learn to enjoy your day by laughing a lot.

The hilarious story of my father-in-law, Dave

One day, Dave and the family went to the restaurant to eat. After finished eating, they stood up from their chairs and started leaving the place. As he was walking out of the restaurant, Papa Dave was waving his back. This act signalized that maybe he had farted to some people.

Some people interpreted it as a hilarious thing. It was inappropriate to many, though. Some people had no idea how come an adult-like him was waving his back like that. Thinking "What's wrong with this man?"

The rest of us, especially now, remembering the story, we have a burst of uncontrollable laughter.

Clean jokes, innocent pranks, humor in general is good for our health. Laughter is always healthy. In everything you encounter in life, try to find laughter out of it. It is suitable for your health. Laugh unlimitedly. When you have joy, you get good health and strength. Joy gives more life.

We believe in the restoration of our health, but the strength will come from the joy of the Lord. And that joy is just a habit, it is either you have it, or you don't have it, you know how to laugh and enjoy your day, or you don't.

The Scripture reminds us, *"Without faith, it is impossible to please God. The one who comes to God must believe that He exists and that He is a reward for those who seek Him."*

The key in our lives is **FAITH**. Only faith that pleases God will allow us more energy, good health, and strength.

I WANT MORE INTELLIGENCE

Nobody wants to makes mistakes. We all want to do things in a perfect way that pleases us. We hate and are discouraged when we fail to live to our standards. We want intelligence to help us manage everything we pursue, an intelligence to handle all kinds of circumstances. Losing is not an option.

Although we go through bad experiences we never wanted, we want intelligence to get out of it triumphantly in the midst of all this. Intelligence means wisdom. Wisdom helps us find solutions for various circumstances we are going through.

What is the beginning of wisdom?

The fear of the Lord is the beginning of wisdom. Fear doesn't mean to be afraid because God doesn't threaten you. The fear that is referred to here is **RESPECT**. Do you respect God?

You might be praying for more life, health, and strength, but all in vain. Do you know why? God wants you to respect Him then your prayers will be answered accordingly.

HOW DO YOU RESPECT GOD ?

Don't rob Him. Give Him what He deserves. During the the time to worship, worship Him. When it is time to give, give to Him as a priority, sacrificially, proportionally, and cheerfully.

Yes, you might be claiming that you respect God, but the Lord asks you these questions:

“Why don't you honor me?

Why is it then that you don't serve me?

Why don't you pray to me?

Why is it that you don't read my Word?”

And you might say, "I even don't know, I don't have an answer." You don't fear God because you don't respect Him; you don't obey what He wants you to do.

The Lord says, *"You don't have any respect for me. You don't fear me."*

The beginning of wisdom is precisely the fear of the Lord.

(Hebrews 11.6) *"Without faith, it is impossible to please God."*

To receive that faith, you must hear the Word of God. Take time to read the Bible every day, not every Sunday. Every time you do that, you will receive a message from God because He wants to communicate with you. If only you would invest five or ten minutes every day reading His Word.

Do you want more intelligence, more wisdom?

It comes from the moment you begin to fear the Lord. And the other thing that you can do is to ask the right question to the right person.

Some people are wise and experienced, and they are willing to help others. Ask them about the difficult situations you are going through. Those are the right people for you; let them know what troubles you.

Reread the Scripture, (Hebrews 11.6), "*Without faith it is impossible to please God. But for the one who comes to God must believe that He exists and that He is a rewarder of those who seek him.*"

You must believe, that's the key.

I WANT MORE LOVE

We all love and want to be loved. Nobody wants to be hated. The poor and the rich, believers and non-believers, educated and non-educated, all want more love, including

our beloved friends, kids, wives, husbands, parents. And the most important one, we want the love of God.

What kind of love do you need?

What is the mistake we make about this? The error is that we are seeking love in one individual. Whether you are a guy, you are looking for the love in a girl, or if you're a girl, you are looking for the love in a guy, thinking that that person will fulfill your needs of love.

Humanly speaking is understandable, but spiritually speaking is a mistake because the only ONE that will satisfy our heart and our needs, for love, is God.

When you learn to receive love from the Lord, you will see the reality. The good thing about having somebody is not to receive love from that person but to give love to that person. Your needs for love cannot be satisfied by any person you have. It has to come from the same source of the rest of the things: **The LORD**.

Suppose you are hurt, disappointed with any situation, whether it is ex-spouse, business partner, family members, religion leader, or a betrayal from a person you trusted. You have to remember one thing: Forgiveness is the vital, through which you will receive more love and peace of mind from God.

I want to tell you that the foundation of Christianity is forgiveness. Forgiveness is what sustains the whole concept of being a Christian. That's why the Lord Jesus died for you. He paid the price so you can receive the forgiveness of God, but it's also a condition: to forgive others.

Let's look at a couple of verses from Jesus' prayer, “Our Father who art in Heaven.” and “Forgive us as we forgive others.”

So, the love you need must come from God. He is the ONE that can satisfy your need for love. The love of God is simply blocked when we have bitterness, hatred, bad

feelings, and horrible thoughts about others. Get rid of it; let the Lord fill your heart with love.

Let us get back to the Scripture one more time, *“Without faith, it is impossible to please God. For the one who comes to God must believe that He exists and that He is a rewarder of those who seek him.”*

Seeking him with faith is going to bring the solution to you.

I WANT MORE PROSPERITY

Cultivate a behavior to seek Him every day with all your heart, then with faith in the Lord, He will grant you more prosperity in every aspect of your life. Perhaps you are blessed with all the things highlighted above – more energy, love, health, strength, intelligence – but it is an undeniable fact that you don't want to be broke.

You want to prosper.

Before sharing with you the keys to prosperity, I want you to know that prosperity has to do with the ability you must have in your mind to think and do things.

You have to be creative, inventive, and take good care of what the Lord gives you. So you will put those things to work because eventually, whatever we create, invent, manufacture, repair, or any services we provide, has to be sold. So, you have to learn how to sell; if you don't know sales in whatever you do, expect no income from them. Everyone has got skills that need sales strategy to prosper.

KEYS FOR PROSPERITY

You have to learn

Prosperity begins with your mind being able to learn a trade. Worth is not going to come to the people that don't want to learn something. Young people are precisely in the right moment to understand. Nowadays, there are many

things available for everyone to understand. Secure your future today by learning something.

I am so happy that I got my education so is my wife. My kids also did that. College degrees and undergraduate degrees. But one year, for Christmas my kids asked me, “This Christmas we want you to pay us this particular website where we can learn these things.”. I agreed with them saying, “for the sake of learning, I will.”

I quickly agreed to pay because I was pleased with the idea that they wanted to learn. Learning opens countless opportunities to grow. However, after learning something, be grateful to the Lord that you can use that knowledge to improve your life and other people’s lives too.

Remember, God is pleased when we share what He has blessed us with. Your knowledge and skills should work for God's glory.

You have to be faithful to God

When you are faithful, God is going to use you. He will take care of your social, economic, and whatever kind of needs so you can serve Him and others well. It is impossible to get real prosperity without being faithful to God. The wealth of the righteous only comes from God – no killing, theft, corruption, laundering, and other unacceptable moneymaking is involved.

The Bible says, *“The wealth of the wicked is laid up for to the just.”*

I WANT MORE OF YOU LORD

It means nothing if we get all the things we want without wanting more from the Lord first. The Lord Jesus said, *“If somebody gets all the things in the world but loses his soul, what's the point?”*

Life is not about even family; life is about God.

If you have been claiming that your family is everything, you are wrong. God is everything. That's Biblical. Love the Lord with all your heart, all your mind. Family comes second. First is the Lord.

If you want more of the Lord, show it to Him. You want to talk to Him more, read His Word more, sing for Him more, dance for Him, and laugh with Him more. Enjoy your days more and more with Him.

Do you want more of the Lord?

Show it to Him. You don't need to prove anything to anybody but do it for the Lord. You dance for the Lord alone, have fun with the Lord. Enjoy your day with the Lord because He is more important than anybody else that you see around.

He is more important than anything. You see houses, furniture, vehicles, but all the stuff disappears and vanishes, but the Lord is Real and Eternal.

He is eternal, more powerful, more real than anything else.

When you say you want more of the Lord, pay attention to Him. Show Him that you mean it. Some people have trouble connecting with God. Let me show you how you can connect with God.

In the name of the Father, the Son, and the Holy Spirit, (Galatians 4.6), *“You are God's children; He has sent the Spirit of His Son into our hearts, crying Abba Father.”*

The Spirit of His Son, the heart of Jesus, the Holy Spirit in you is crying, Abba. Abba is a Hebrew word that means daddy. Jesus never forgot His Father, who is our Father as well. Jesus was on Earth, but He never felt disconnected from His Father, God Almighty.

Believe that there is ONE & ONLY FATHER in Heaven. He is the ONE who made everything.

Feel His presence while you are in secret prayer. Believe that you are talking to the Lord, who listens and responds to His children whenever they call Him.

He is an incomparable Father who works for the best of us all because He loves His children.

Perhaps some people had never seen their father or had a good relationship with their dad; this concept about God being our Father becomes a little bit difficult to comprehend.

I want to tell you that there is beauty in discovering new things. Take time to start seeing God as your loving Father that you never had before.

Direct your prayer to Him because He is with you, and He listens whenever you call Him. He is the Father you are going to be with for the rest of your life in Eternity.

§ **Believing is a lifestyle**

Try to practice what you believe in, and make it your daily life. You cannot be the kind of person you want without taking action to be that person.

You must act to be who you want to be.

If you believe something will change after doing certain things, make it your lifestyle habit.

Spiritual life needs to be cultivated in faith to grow our lifestyle. We must be persistent in our spiritual lifestyle so we can be faithfully strong. We cannot build spiritual muscles in a day. It is a process that needs persistence in a faithful lifestyle.

If you want to be a faithful believer, then practice it. Good results come when we act, not only when we wish and speak.

Action should show your thinking. Don't stop just being a thinker, be an actor or doer. Believing is a lifestyle.

From the moment you wake up feeling the presence of God in everything you do throughout the day. Live your moment with God next to you. Make it your lifestyle. You will draw closer to God – your Father – more than you ever imagined. Your relationship with the Father will be very well established.

Believing is not a Sunday deal; it is a lifestyle that helps us strength our relationship with our Father in Heaven.

God is merciful. He receives and forgives the one who comes closer to Him. (Romans 10.9), *“If you openly say Jesus is my Lord and believe in your heart that God raised Him from death, you will be saved.”*

If you want to give your heart to God for the first time, read this prayer out loud:

“Dear God, help me. I don't have enough faith. I am desperate because I am struggling. I have many needs and many dreams, but I know that only You Lord can bless me. I need faith Lord, please. I am so sorry. Please forgive me. You are the only ONE that is certain in life. You are my God. I open my heart to You, Lord. I confess my sins before you. I need to change. I want to obey You and trust You and serve You forever, my Lord. Starting today, I want to see life and people exactly as you do. Please help me, Lord.”

Everything begins on the cross where our Savior Jesus died for our salvation. Now with faith, say with me this declaration:

“I am forgiven and saved by faith in Jesus. Therefore I can also declare my life is going to be great.”

Thanks for the time you invested reading this ebook. The minutes you spend are worth the blessings of God. Receive the blessings of our Father in Heaven.

I hope your following days are going to be awesome.

I bless you in the name of the Father, the Son, and the Holy Spirit, amen!
